CHICAGO, IL, UNITED STATES, October 14, 2020 /EINPresswire.com/ -- [Evans Garment Restoration](#) announces its newest franchisee Davis Imperial Cleaners of Chicago, IL. Davis Imperial has been servicing the insurance industry since 1956. Davis, formerly a member of NARD, will now represent Evans Garment Restoration as its Chicago franchisee, providing premium restoration services for clothes, drapes, furs, linens, leather, suede, rugs, specialty textiles, and electronics that have been exposed to water and smoke.

“Being able to combine our old world techniques and state of the art equipment with the reach of the Evans brand is truly exciting,” said Rick Wood, President of Davis Imperial. “When you add the patented processes developed by Evans Garment Restoration on top of our own capabilities, we really believe we have something special.”

The company will continue to serve Illinois, Wisconsin, and Indiana using the franchisee tag Evans Garment Restoration of Chicago.

“Adding this 65-year-old company as a franchisee is in line with our mission of only adding the very best to our network,” said Joel Lyons, President of Evans Garment Restoration. “Slow and steady wins the race, but when you can add a company with the credentials, technical knowledge, and media recognition of Davis Imperial, it not only propels our growth as a franchisor but most importantly gives tremendous value to our carriers and their clients.”
