

Rocket Marketing and Design's Responsive Web Design Services Helping Small Businesses Reach More Audience

An industry leader in website design and marketing services is helping small businesses in a big way.

MIAMI, FLORIDA, UNITED STATES, October 14, 2020 /EINPresswire.com/ -- Representatives with [Rocket Marketing and Design](#) announced today that its responsive web design services are helping small businesses reach a wider audience.

"In order for your website to rank well on search engines, it needs to be developed with search engine optimization in mind," said Michael Hernandez, president of Rocket Marketing and Design. "Do not waste your money hiring a web designer that does not know about search engine optimization since they might create a site that is impossible to rank. At Rocket Marketing and Design, we create SEO optimized websites that will give you the ability to rank on page one of the search engines."

Rocket Marketing and Design is an award-winning, full-service web design and Internet marketing company. The company provides a wide range of services, including: [Responsive Website Design](#); Search Engine Optimization; Google My Business Optimization; Social Media Marketing; Pay Per Click; Reputation Management, and more.

"Your website showcases your business round the clock," Hernandez stressed, before adding, "It represents your business online, even when you are not always available. Its font, images, colors, and everything in it will affect how people will look at your business because your website also helps form people's impression of you. We will help you take your business to another level. We will study your business and your industry thoroughly to build the most suitable website for you."

As it relates to the company's reputation with customers, Hernandez revealed that Rocket Marketing and Design continues to exceed clients' expectations and has recently reached a new milestone with more than 125 positive [Google reviews](#).

"It is our goal to exceed our client expectations," said Hernandez. "It is an honor to serve every client and provide them with 100 percent satisfaction."

A few of the company's 125 positive Google Reviews include Feyad Ali, who wrote that his company has been working with Hernandez and Rocket Marketing for over two years, and described the working relationship as receiving phenomenal customer service every time.

"Actually Michael (Hernandez) has been very patient with us," Ali said, before adding, "He started our project a while back, and due to delays in our business, we weren't able to provide all the information for Michael to finish the project, and yet he never pressured us, he was always accommodative and understanding. I only have great things to say about Michael and his team at Rocket Marketing and would highly recommend their service."

Automobile Computer Solutions wrote in its Google review that its experience with Rocket Marketing and Design has been just incredible from the start.

"Their team is organized, very helpful, and flexible," a company representative wrote. "We are especially thankful to Michael, he has gone above and beyond; he has helped us with our website design, marketing strategies, as well as with fresh ideas to better our brand."

Likewise, Jonathan Korin said that after disappointedly shopping around for SEO services, he thankfully landed upon Hernandez and his team at Rocket Marketing and Design.

"Their utter sincerity is a stark contrast to what I had dealt with in the past, and it shows in the simple facts: I own my own website, and the service is month-to-month," Korin wrote. "They earn my business each month with attentive service and quality SEO work. I'd recommend Rocket Marketing and Design to anyone."

Additional proof of Rocket Marketing and Design's credibility is the fact that the company is also featured in DesignRush's The Best SEO Companies of 2020.

DesignRush is a B2B marketplace connecting brands with agencies. It determined the best agencies with expertise in SEO and integrated marketing that can help brands grow their businesses online and reach a large, high-quality audience.
