

## Trustmoore Selects PFS-PAXUS

DOUGLAS, ISLE OF MAN, October 14, 2020 /EINPresswire.com/ -- Pacific Fund Systems (PFS), the software provider behind the award-winning fund accounting and 'one-stop-shop' fund administration system PFS-PAXUS, is delighted to announce that Trustmoore, an international financial services provider that offers full-service fund administration in multiple jurisdictions, has selected PFS-PAXUS for its growing third-party fund administration business operations.

Trustmoore's team of fund experts tailor premium fund administration services to suit their client's ambitions

worldwide with a client list that includes private equity funds, private debt funds, real-estate funds, fund of funds, hedge funds, equity funds and private client / family office portfolios.

Seeking a fund administration system to assist the growth and evolution of their global fund services business, Trustmoore quickly identified the many efficiencies and benefits offered by PFS-PAXUS, with its functionally rich and fully integrated offering that spans the complete back-office fund accounting, portfolio valuation, fund pricing, registrar and transfer agency requirements of a global fund administrator.

Commenting upon the successful adoption of PFS-PAXUS, John Verhooren, Global Head of Fund Services of Trustmoore commented, "In an industry where technology is leading, and more and more clients require a tailored approach for the personalized fund administration services we provide, we set out to find a system that would assist us with the rapid growth of our expanding fund services business and add value to our services for our clients. With well-developed functionalities across the key fund strategies, and providing excellent online reporting tools for investment managers and investors, PFS-PAXUS was quickly identified as the perfect solution for the next stage of our evolution, to ensure we can continue to provide our clients with a high quality of tailored services while managing our strong growth as a global fund administrator."

Paul Kneen CEO of Pacific Fund Systems, added: "We believe there is currently no better multi-functional product available today to compete head on with PFS-PAXUS to provide a complete back office solution for Fund administrators of all types of Fund and Private Equity structures, and we are delighted to welcome Trustmoore as a new client. PFS is well served by a skilled team of professionals who work tirelessly to ensure our clients, both new and existing, are provided with the highest levels of service and support in the use of our software solutions."

Pacific Fund Systems services a continually expanding international client base with more than US\$650bn of assets managed globally on PFS-PAXUS.
