*Sean Mathis, Founder Miles Through Time Automotive Museum*

## ROUTE AND EVENT DETAILS

When: December 12, 2020. The parade will start at 10 am.

Start: Windward Parkway Park and Ride, Alpharetta, GA 30022

(6 Free EV Chargers on site. You will need the ChargePoint app.)

End: The Westin Atlanta Perimeter North  
7 Concourse Pkwy, Sandy Springs, GA 30328

The total route is 15.2 miles mostly down Hwy 400.

All we need to do to beat the current world record and take the title from China is to have more than 145 Tesla's participate in the parade. The goal will be to annihilate this record with more

than 300 Teslas. And you can be a part of it.

Register here so we can start getting an idea of how many Tesla's to expect and which models.

#### ALL PROCEEDS GO TO OPERATION UNDERGROUND RAILROAD

When we started this Guinness World Record attempt, it was just about the record. Then, we realized we could make this about so much more.

Operation Underground Railroad was in our thoughts already, as over 35 children were just rescued here in Georgia. Sean, the founder of Miles Through Time, and his wife Torie Mathis have always been advocates for children and animals, as they can't fight for themselves.

#### DONATIONS AND SPONSORSHIP OPPORTUNITIES

We are accepting donations and sponsors to help raise funds for Operation Underground Railroad to support the rescue of human trafficking victims around the world.

All proceeds will go to [O.U.R.](#) and are tax-deductible.
