The mogul operates three businesses, including his successful car rental company, Drive Plus Rent-a-Car.

DUBAI, UNITED ARAB EMIRATES, October 14, 2020 /EINPresswire.com/ -- One of Dubai's most successful entrepreneurs, [Talha Nasir](#), is pleased to announce he has recently achieved a net worth of an impressive \$58 million dollars – an incredible feat considering Nasir originally came from nothing.

Talha Nasir is a 31-year-old Dubai based businessman who owns and operates three successful businesses. Over the past six years in Dubai, Nasir has invested a great deal of time, energy, and money into turning his businesses into the thriving organizations they are today. Nasir, who had little money growing up, believes that hard work and dedication are the key to his success.

One of Nasir's most successful businesses, [Drive Plus Rent-a-Car](#), has helped the thriving entrepreneur to grow his impressive portfolio. Drive Plus Rent-a-Car is one of the leading car rental agencies in the UAE. With a wide variety of vehicles made available at the cheapest market rates, the company strives to cater to the needs of both residents and tourists residing in the country.

"Although we present ourselves as a budget-friendly rental car service, we do not compromise on the quality of our vehicles," says Nasir. "Each of our cars and SUVs are regularly safety-checked and serviced to ensure our customers are equipped with only the best."

"I am so incredibly proud to own such a successful business – and others – and am humbled to have seen my determination pay off over the past six years," Nasir states. "I came from nothing and attribute to my success to my dedication to hard work, the energy I put into each business,

and to my incredible employees.”

In addition to owning Drive Plus Rent-a-Car, Nasir also operates two other successful businesses, including the Pipes Shisha Lounge and Café and D1 Energy, which is an energy drink manufacturing company.
