

Celebrity Hairstylist Christina Benjamin new single “Forever Love” Ft. LG is the next go to wedding love song

Every couple has a love story. Christina wrote this song for her husband and this beautiful duet is capturing attention around the world.

ATLANTA, GA, USA , October 15, 2020 /EINPresswire.com/ -- Well known celebrity hairstylist [Christina Benjamin](#) shows she has more gifts than hair as she releases her new single “[Forever Love](#)” featuring LG and produced by Marcus “Da Heatmizer” Devine. Christina shares her real life love story with the world on her and husband Courtney Benjamin 15 year anniversary same as set release date for “Forever Love” October 15th. Christina is no stranger to the spotlight from acting to singing to inspiring young women to doing hair; in all she had 100% support from her husband. Marriage is work, ups and downs, communication, love and building each other up; all this captured in one song “Forever Love”.

“

A Love Like Ours Was Built
to Last Forever”

Christina Benjamin

As focus groups, wedding djs and industry peers gave raving reviews of the song before it’s release stating this song will be playing in everyone’s wedding. “LG brought the strong male soulful flavor to the song”, “this duet was a perfect blend in harmony”, “This song reminds me off a

Whole New World”, “have they sang together before, great dynamics”, “Christina voice is so pure and loving, you can feel the words as she sings them”, “Mrs. Benjamin’s hands are blessed in hair and writing”, “what a soulful duet with a Disney feel”, “the artists compliment each other and the producer produced this song well done”, “what a fairytale dreamy sounding song very well captured”, “timeless”, “Duets are back in full affect great work”.

Christina Benjamin is music, hair and inspiration. What a blessing to release music under her own label and share a lasting love story with the world on their 15 year wedding anniversary. The most sought after wedding song is now available worldwide to purchase and stream on (iTunes, Spotify, Amazon, Pandora, Tidal).
