

U.S. Corporate Event Market is Anticipated to Grow \$322.45 Billion by 2027, With a CAGR of 18.50%

Corporate events in the U.S. states are gaining popularity, which give rise to inbound travels, domestic trips, and outbound departures.

PORTLAND, UNITED STATES, UNITED STATES, October 15, 2020

/EINPresswire.com/ -- According to a new report published by Allied Market Research, titled, [U.S. Corporate Event Market](#) generated revenue of \$211.57 billion in 2019, and is expected to grow at a CAGR of 18.50% to reach \$322.45 billion by 2027. Giant corporate

companies organize various events to create strategies, celebrate success, or make new international standards. Their event managers either arrange for an event by themselves or prefer external services. Events organized by corporate companies include trade shows, grand ceremonies, team-building activities, induction programs, and annual function. Trade shows are a crucial part of marketing strategies, as they allow brands to present their products, target customers, and find new business partners. In the recent years, the popularity of trade shows is constantly growing, hence, they are mostly organized on huge venues. Furthermore, grand ceremonies include conferences and corporate galas. In team-building events, the major aim is to build a strong relationship and trust among the team members. Furthermore, induction programs are held in the beginning of the month—the most common start date for newly hired employees.

Therefore, the corporate sector offers various opportunities for the event management companies to organize events, contributing to huge revenue generation, which, in turn, augments the growth of the U.S. corporate events industry. The growth of the corporate events industry is majorly driven by upsurge in frequency of corporate meetings, conferences, tradeshows/exhibitions, and other events. Furthermore, the deployment of best-in-class technology that can handle the entire event propels the U.S. corporate event market growth.
