

# Giving back to Community – Firoja Health Care Trust by JHM Group

*There are millions of people in India who are deprived of basic healthcare services mostly due to the shortage of medical centers in rural areas.*

DUBAI, UNITED ARAB EMIRATES, October 15, 2020 /EINPresswire.com/ -- Building on the long history of supporting the communities, [JHM Group](#) created the Firoja Health Care Trust in Raghunathganj, Murshidabad to expand their impact on the communities and bring the best healthcare facilities to the region.

There are millions of people in India who are deprived of basic healthcare services mostly due to the shortage of medical centers in rural areas. JHM Group, after identifying the challenges in the healthcare sector, launched a campaign to provide the best medical treatment in the under-developed areas of the country.

“

Honesty & Good Business Practices is what JHM Group is all about.”

*Md. Mehedi Hasan, Chairman  
JHM Group of Companies*

matters the most to the communities.”

Director Mr. Md. Jahangir Alam expressing his views about how JHM Group is committed to create a difference in society

MD. JAHANGIR ALAM, Director at JHM Group says “At JHM Group, we view our net worth as a sum of all factors involved, not just the products we sell or the profit we make. Our company’s net worth is heavily based on the relationships we build in our communities to make them stronger. We consider ourselves blessed to have the opportunity to give back to community in ways that

Firoja Health Care Trust in Raghunathganj, Murshidabad was launched with a vision to provide affordable and quality healthcare facilities to the underprivileged and downtrodden people. Firoja HealthCare Trust follows stringent regulatory compliance, state of the art technologies and international quality standards; as a result, Firoja Healthcare received the ISO 9001:2015

certification in recognition of the quality services provided.

JHM Group has adopted the philosophy of giving back and understands their responsibility as a corporate citizen in all areas of the business. JHM Group strongly believes that building good relationships with the communities they operate helps understand what is important to local people and organizations so they we can ensure to leave a positive legacy that benefits the society.

Since its establishment, Firoja Healthcare Trust has been providing free healthcare services, which include General OPD, Dental, Physiotherapy, Cardiology, ENT and more.

More than 100,000 patients have received free medical treatment and healthcare facilities from the trust, thus becoming an essential and distinctive part of the JHM Group. In the coming years, JHM Group has plans to establish similar healthcare facilities in the neighboring districts and villages.

JHM group has currently six enterprising companies, spread across various locations in India and growing further across UAE. JHM Group has initiated many Corporate Social Responsibility projects to further

support the societies through sharing a certain percentage of their profits to the ones that deserves the most. JHM Group has partnered with Napollo Software Design LLC in Dubai which is providing [digital marketing services in Dubai](#) is committed to assist JHM Group in re-branding the organization by showing key facts to the world about the good business practices, JHM group is carrying in India, Bangladesh and UAE.
