Key Players

Linde Group
Air Liquide
Praxair
Air Products and Chemicals
Taiyo Nippon Sanso
Messer
...

Market Segmentation

Based on the overall classification, the global Chlorine Gas market is segmented into several aspects that include application, end-user, and product types. The application segmentation is all about the classification of different sectors where the products of the global Chlorine Gas market can be implemented. The more the applications, the higher will be the demand across various sectors.

Segment by Type, the Chlorine Gas market is segmented into
Pure Gas
Gas Mixtures

Segment by Application, the Chlorine Gas market is segmented into
Water Treatment
Chemical synthesis

Regional and Country-level Analysis
The Chlorine Gas market is analysed and market size information is provided by regions (countries).
The key regions covered in the Chlorine Gas market report are North America, Europe, Asia Pacific, Latin America, Middle East and Africa. It also covers key regions (countries), viz, U.S., Canada, Germany, France, U.K., Italy, Russia, China, Japan, South Korea, India, Australia, Taiwan, Indonesia, Thailand, Malaysia, Philippines, Vietnam, Mexico, Brazil, Turkey, Saudi Arabia, U.A.E, etc.
