

Yard Signs And Banners Celebrating Two Decades in Business

One of the nation's best full-service online sign shops has reached a new milestone.

WELLESLEY ISLAND, UNITED STATES, October 15, 2020 /EINPresswire.com/ --

According to the [Small Business Administration \(SBA\)](#), 80 percent of businesses fail to make it past their

first year in business. But thanks to hard work, dedication, and a commitment to customer service, [Yard Signs and Banners](#) is celebrating two decades in business.

“We consider it an honor and privilege to serve our customers for the past two decades,” said a company spokesperson for Yard Signs and Banners.

What makes the company’s celebration and milestone significant is the fact that, according to the SBA, only about half of small businesses survive past the five-year mark, ranging from 45.4 percent to 51 percent depending on the year the business was started. Beyond that, only about one in three small businesses get to the 10-year mark and live to tell the tale.

“We’re excited about the future and believe that the best is yet to come,” a company spokesperson said.

Established in the summer of 2000, the company’s continual focus has been to meet the growing needs of its local and national customers, churches, schools, and surrounding communities.

The company is a full-service online sign shop dedicated to providing quality products and services at fair and competitive prices while offering a comfortable, professional relationship.

“We offer a wide array of products and services to meet your specific needs,” the spokesperson stressed, before adding, “Our knowledgeable and experienced staff can meet and exceed all your needs from the most basic sign to complex logo creation.”

The company spokesperson went on to point out that the company operates three large format printers capable of producing any digital design in house.

“Being a fully digital shop provides our customers with endless color choices, eye-catching finishing, and production speeds that our ‘last minute’ customers really need,” the spokesperson said. “We ship nationwide, and our online store is open 24 hours a day, 7 days a week.”
