

International shipping Platform Parcel ABC expands it's activities to the United Arab Emirates

LONDON, UK, UNITED KINGDOM, October 16, 2020 /EINPresswire.com/ -- Fast and affordable international and domestic shipments can be made to and from the United Arab Emirates as the online shipping platform [ParcelABC](#) is entering into the Middle East market!

The famous delivery platform is already shipping packages from most countries across the globe and offers a large selection of services to and from its established markets in Europe, Asia, Australia, Africa, Central, South, and North America.

According to Andrius Balkūnas, one of the founders of the ParcelABC online shipping platform, the Middle East is an exciting chapter for the company. "We are growing rapidly, every month we manage to enter a new market or even a few. The United Arab Emirates was a goal market and we are very happy to start operating there fully," says Mr. Balkūnas.

The goal of Parcel ABC is to make delivery from door to door possible and affordable for anyone all around the globe. Parcel ABC shipping platform brings together large and small courier companies around the world and is one of the largest courier networks in the sector.

Parcel ABC provides the best prices in the market by uniting thousands of local and international delivery companies and fill their empty spaces with your packages and deliveries. This enables the platform to offer a full range of services for express and economy delivery, using the most reputable and reliable courier companies.

More information about the parcel services offered by ParcelABC can be found by visiting the website at <https://www.parcelabc.com>
