"DANTES sponsors CLEP and DSST exams that test the level of knowledge gained through previous experiences. Both the CLEP and DSST exams are comparable to final undergraduate college course exams. Taking and passing these exams enables Service members to gain college credit* that can be applied to meet degree requirements.

Multiple exams are available, covering material commonly required for most degree programs. These exams can be taken at on-base and community National/International Test Centers.

*College credit recommendations for these exams are made through the American Council on Education (ACE) and are subject to the acceptance of individual academic institutions.**

"Like Advanced Placement Exams, the College-Level Examination Program is administered by the College Board and tests knowledge in introductory college-level classes. This program is designed to show that test takers have mastered certain fields of study.

"saved me \$6,000...

Thank you for your study courses. I have saved almost \$6000 in tuition and an entire semester of school by taking the CLEP tests. I have successfully passed 4 CLEP tests using only SpeedyPrep to study for them. The tests are Analyzing & Interpreting Literature, US History II, American Government, and Principles of Management"

—Marlene N.

"highly recommend SpeedyPrep...

I utilized the SpeedyPrep materials and studied several hours per day for only seven days and passed my Natural Sciences CLEP. I have recommended SpeedyPrep to all of my fellow students and would recommend it to anyone who is looking for an effective way to study for a CLEP. The "fill in the blank" method utilized by SpeedyPrep greatly assisted me with the ability to recognize the correct "multiple choice" answer on the CLEP. Even as you input a wrong answer on SpeedyPrep, the correct answer is given greatly increasing your mind's ability to identify the correct answer when it is offered on the CLEP. I highly recommend SpeedyPrep to anyone."

"awesome job creating that course...

I took the Organizational Behavior DSST and I passed! Your course and study materials really assisted me and I was a lot more confident taking the exam after looking over your videos...most of the study material was covered on the exam. You guys did an awesome job creating that course. Thank you so much!"

"25 semester credits...

I wanted to drop you all a line and to say thank you for coming alongside our home schooling efforts. We have a vigorous curriculum and find SpeedyPrep to be the perfect companion for receiving college credit for subjects our children have worked hard at, and with a little additional preparation from you, are prepared to receive college credit through the CLEP exams. Our oldest daughter took examinations after completing your study guides and applied 25 semester credits toward her Associate Degree. She is now studying Chemical Engineering. Our younger three kids plan to CLEP this year and carry on the tradition. Thank you so much!"

— Denise N.

"I learned Sociology in a week's time..."

I used your product for Sociology, the fewer number of questions was easier for me to reach over the 90% complete mark while still allowing me to actually learn the subject. I passed with a score of 62. Basically, I learned Sociology in a week's time for a few dollars."
