

# Jamaica's Chart Topping Dancehall Reggae Artist Trabass Partners With Indie Record Label MVB Records

*After 4 years of trying to reclaim Billboard chart success, the Jamaican entertainer is reportedly now working with New York indie record label MVB RECORDS.*

NEW YORK, NEW YORK, UNITED STATES, October 16, 2020 /EINPresswire.com/ -- With his new single "Don't Tell Nobody"; and new sound, Dancehall Reggae artist [Trabass](#) has his eyes set on the Billboard charts once again. The popular Jamaican artist and entertainer is widely known throughout the Caribbean for his hilarious comedic skits, which all poke fun at Jamaican culture. He has garnered nearly a million subscribers on his Trabass TV YouTube channel, and he has nearly 2 million followers across his social media pages.

Trabass first reached Billboard success in 2016 when his EP "Trabulation" debuted at the number 8 spot, for Top Reggae albums. What made this amazing was the EP charted on Billboard with no major label push or promotion. Now with the release of "Don't Tell Nobody", his new sound, and with a completely new team and label, Trabass is ready to shake up Billboard once again.
