

# Active Air Solutions Continues to Provide Expert Air Conditioning Services Despite Ongoing Pandemic

*The company remains steadfast in providing affordable and professional services to support local community.*

QUEENSLAND, AUSTRALIA, October 16, 2020 /EINPresswire.com/ -- Popular Queensland company, [Active Air Solutions](#), is pleased to announce that, despite the ongoing global pandemic, it is continuing to provide its professional air conditioning services to loyal and new clients.

Active Air Solutions is one of Australia's leading suppliers of air conditioners, sales, installation, and service – helping to keep Queenslanders cool with over 25 years of experience. The company boasts some of the most favourable client reviews in the industry and values high-grade products from leading brands to ensure sustainability and longevity.

In the company's most recent news, Active Air Solutions is announcing it is continuing to provide its exceptional air conditioning services throughout Queensland, even as the COVID-19 pandemic continues to grip the country. While doing so, the company is dedicated to ensuring the health and safety of all customers and staff by implementing strict guidelines set by the Australian Government Department of Health and Queensland Health.

"In these uncertain times, we would like to thank you for your continued support," says founder of Active Air Solutions, Dan Gaze. "We remain committed and vigilant in protecting the health of our team, customers, and the community – adapting as best we can to this ever-changing situation. We'd like the community to know we are open for business and are here to help with all of your air conditioning needs."

To support the local community during this tumultuous time, Active Air Solutions is providing the following services, with enhanced safety measures:

- Ducted Air Conditioning
- Split Systems
- Sales with 5 Year Warranty
- Service and Repairs
- Commercial Installs
- Commercial Maintenance

•And more!
