

Oklahoma US Navy Veterans Lung Cancer Has Endorsed the Lawyers at Karst von Oiste to Be the Go-To Lawyers for a Navy Veteran with Lung Cancer in Oklahoma-Compensation Might Exceed \$100,000 if He Had Asbestos Exposure

OKLAHOMA CITY, OKLAHOMA , USA,
December 3, 2020 /EINPresswire.com/

-- The Oklahoma US Navy Veterans Lung Cancer Advocate has endorsed the remarkable lawyers at the law firm of Karst von Oiste to ensure a Navy Veteran with lung cancer receives the best possible compensation if they also had heavy exposure to asbestos in the navy prior to 1982. Financial compensation for a person like this might exceed \$100,000 and the claim does not involve suing the navy. The typical person the Advocate is trying to identify is over 60 years old. The Navy Veteran's exposure to asbestos probably took place on a navy ship, submarine or at a shipyard. "If this sounds like you or your loved one-please call the lawyers at Karst von Oiste anytime at 800-714-0303." www.karstvoniste.com/

The US Navy Veterans Lung Cancer Advocate is now offering to assist a Navy Veteran who now has lung cancer and who had significant exposure to asbestos in the navy to get possible VA Benefits for their illness. The Advocate will assist with a Navy Veteran with lung cancer with their initial VA claims submission-and there is no charge for this service. For more information, a Navy Veteran with lung cancer-who also had heavy exposure to asbestos in the navy prior to 1982 or their family are welcome to call the Advocate anytime at 800-714-0303.
