1. Agatha Christie Collection

In a global poll to mark of Queen of Crime's 125th Birthday, three books stood out as clear favourite amongst Agatha Christie fans past and present, collecting nearly half the amassed votes between them.

All three books represents the pinnacle of crime writing packed with murder, suspense, and highly original endings that have shocked and surprised readers for decades. They are three very different books, but they have one thing in common- the fiendish ingenuity of Agatha Christie. And Then There Were None was Agatha Christies most successful book. With over 100 million copies sold worldwide, it is also the bestselling crime novel of all time. Get your Agatha Christie masterpiece collection at an unbeatable price.

2. Nora Roberts Concannon Sisters Trilogy

Passions are about to flare for the Concannon sisters. Maggie and Brianna Concannon are two very different sisters. The calm and gentle Bri seems able to weather any storm, even the

constant criticism that rains down on them both from their mother, but Maggie is a passionate and fiery artist whose temper is as bold as her art. Their mother's bitterness is a mystery to Bri and Maggie, until secrets from the past challenge everything they've come to believe. It's Maggie's skill as a glass blower that brings Rogan Sweeney, the international gallery owner; to her small cottage in County Clare. His interest in her is purely professional; until their personalities clash and sparks begin to fly. As her career takes off; how will Maggie cope with the heat of the spotlight and feelings for Rogan that she would rather ignore?

3. Darkest Mind Trilogy

New York Times bestselling author Alexandra Bracken, from the author who brought you the Passenger Series, comes her latest set of edge-of-your-seat superhero thrillers. For fans of The Hunger Games and Divergent, enjoy this dystopian reality where a contagious disease wipes out 98% of children and teenagers leaving any survivors with strange supernatural abilities. Seeing their superpowers as a threat, the government rounds up and imprisons all surviving youth in horrible camps where one unique and unlikely group of friends only hope for the survival of an entire generation will be to combine their forces. But will it be enough to ensure their future and the survival of humankind?
