– [WellRyde \(https://wellryde.com\)](https://wellryde.com), a

[nuVizz](https://www.nuvizz.com), Inc. transportation solution, today announced the launch of the WellRyde Affiliate program. As the fastest growing NEMT dispatch solution, WellRyde enables in excess of 16 million trips a year and services a network of over 1,200 transportation providers through the company's easy-to-use mobility-as-a-service platform.

“

..the WellRyde Affiliate program makes available to organizations the ability to connect digitally with Transportation Providers and introduce new Providers into the WellRyde program..”

Anantha Rao

Transportation is a major barrier to health care for many vulnerable populations and the NEMT program attempts to bridge these gaps. It is stressful enough for someone to make a visit to a hospital or clinic, that they deserve a pleasant experience. At WellRyde we strive to make that part of their day, a ride to the clinic or hospital, pleasant and satisfying. It is imperative that riders feel less anxiety if their ride will arrive in time or how long should they wait for the ride.

“At WellRyde, our technology provides a network of connected transportation providers, the ability to utilize

award-winning solutions to bring this wonderful experience to bear,” said Anantha Rao, COO & CTO at nuVizz. “The WellRyde Affiliate program makes available to organizations the ability to connect digitally with these Transportation Providers and introduce new Providers into the WellRyde program and take immediate benefit of this solution.” Adds Anantha Rao.

Starting in October 2020, Brokers, Hospitals, and Healthcare organizations can join the WellRyde Affiliate Program. They can refer transportation providers and other organizations into the network and avail of all the benefits: digital integration, network discovery, superior member experience and a well thought out program benefits. To learn more you can visit the Affiliate program site at <https://www.wellryde.com/affiliate-program/> or speak to your account executive.
