

Pre-filled Syringes and Injectible Devices Conference 2021 goes virtual

SMi Reports: The 2021 conference is now a virtual conference: Online access only. Discover key progressive insights: At the forefront of pioneering developments

LONDON, KENSINGTON, UNITED KINGDOM, October 19, 2020

[/EINPresswire.com/](https://www.einpresswire.com/) -- In light of on-going developments with COVID-19, we have decided to move our conference to a fully online, virtual experience. We believe this is the safest approach for the well-being of our global audience and we are excited that a virtual event makes it possible to broaden the learning opportunities and engagement with the industry at this time.
