[BOOM Software](#) launches 2nd phase of [BOOMCV.com](#), a video CV submission platform for Recruitment Companies and Company Recruiters not only looking to find stand out Candidates but also to stand out to their Clients!

BOOM Software, one of the UK's leading developers in digital platforms today announced the 2nd phase launch of BOOMCV.com, a website that helps Recruiters submit Candidates video CVs to their Clients.

With its unique tools, Recruiters can quickly ask a Candidate to create and upload a video CV and make a submission to them, helping Recruiters make faster decisions on candidate suitability for roles, shortlist and submit to their Client. BOOM Software aims to disrupt the traditional relationship between Recruiters, Job Seekers and Clients by enabling candidates to send an interview video in their application through to the Recruitment Company.

Recruiters can access the platform's advanced tools, analytics to measure CV open rates and
