LAS VEGAS, NEVADA, USA, October 20, 2020 /EINPresswire.com/ -- [Grammy nominated producer Chris Cox](#) is at it again. Coming off the success of his last album Time Machine, in 2019 Cox has taken his sound to a new level working with a collective group of vocalists and singers in which he produces under the moniker Zeus Vega. Producer Chris Cox and The Zeus Vega Collective

Cox says "I am really excited with what we are creating as a collective. Musically it has been really fun tapping into the sound and vibe of 90's house music. The Latin scene in New York, Miami, Los Angeles and the Bay Area shaped the percussion and riffs that I would later use in Thunderpuss productions. I have been working with visual artist Andrei Mignea for the past few years and his talent and design never cease to amaze me. As for our namesake, we are a collective, a band of brothers bound together through our love of music. We came from nothing and live with the belief that you can reach any goal if you put your entire soul into hard work, passion and hustle"

This is the first of many songs to come with plans for an EP and feature album. You can listen to the song here. "Dale Huevo" Single <https://zeusvega.fanlink.to/zeusvega>
