“

MAD TASTY combines necessary hydration, great taste and the wellness benefits of hemp. We're excited to bring this popular product to our stores.”

Andrew Young, Vice President of Product Management at CBD Emporium

“I wanted to drink more water, but water is boring. I wanted an effective serving of hemp, but hemp extract can taste bitter. Working with a team we cracked the code and created MAD TASTY,” said Tedder. “I'm happy to partner with CBD Emporium to bring MAD TASTY to more people.”

MAD TASTY not only benefits consumers with thoughtful

development, but also gives back. The brand is partnered with Drop4Drop, an organization that believes everyone, everywhere has the right to clean water. For every 12 ounces of MAD TASTY sold, the brand donates 12 ounces of clean drinking water.
