MIAMI, FLORIDA, UNITED STATES,
October 21, 2020 /EINPresswire.com/ --
With early-in-person voting in Florida
now underway, a brilliant beacon of
patriotism and democracy is flying high
in the state's night sky -- beckoning
people to go to the polls.

The new, futuristic Paramount Miami
Worldcenter skyscraper is lighting-up
the Nation's Largest Electronic
American Flag and Gigantic L.E.D.
"VOTE" button image – vivid reminders
that the polls are now open.

Paramount Miami Worldcenter
features the world's most-advanced light emitting diode animation lighting system.

Through the center of the 60-story, \$600-million Paramount is a 700-foot-tall vertical stream of red and white L.E.D. stripes combined with the words, "VOTE FLA."

The Dimensions:

At the top of the building are a 150-foot-tall by 300-foot-wide fluttering field of blue, blended with five-pointed white stars.

Interwoven with Paramount's crown is a 300-foot-in-diameter circular "VOTE" button image.

Star-Spangled Signal:

"We are sending-out a star-spangled skyline signal to Florida's 14-million registered voters; encouraging all of us to involve ourselves in the democratic process by exercising our constitutional right to vote," explains Paramount Miami Worldcenter CEO-Developer Daniel Kodsi (Cod-See).

High-Tech Lighting:

Paramount's state-of-the-art, \$3-million Color Kinetics animation lighting system consists of 14,300 L.E.D.'s embedded in 10,000 panes of high-impact glass. The system can create 16.2 million color-combinations. It took three years to design and install Paramount's lighting system.

Hours of Operation:

The Stars, Stripes, and VOTE light show runs through election night, November 3, 2020.

The building illuminates every half-hour; for a duration of three minutes; from 5:00 a.m. – 7:00 a.m. and from 7:00 p.m. – Midnight (ET).
