

Creek Water Whiskey launched by American global recording artist Yelawolf is now available in Walmart

The flagship 100-proof Creek Water American Whiskey, and 70-proof Creek Water Cinnamon-Flavored Whiskey both available for purchase at select Walmart locations.

RALEIGH, NORTH CAROLINA, UNITED STATES, October 21, 2020 /EINPresswire.com/ -- Creek Water Spirits, created in partnership with American rapper Yelawolf and advanced technology and spirits company, Next Century Spirits, announced its whiskey products availability in select Walmart stores last week. The flagship 100-proof Creek Water American Whiskey, and the 70-proof Creek Water Cinnamon-Flavored Whiskey are both available for purchase in multiple Walmart stores in Florida and Missouri. "I am so proud

that my brand SLUMERICAN has partnered up with Walmart to introduce Creek Water Whiskey!! I grew up on Walmart, I was literally raised on layaway, and I consider the Walmart culture a strong thread in the roots of my brand SLUMERICAN. It is an honor, and a privilege to be there. We're looking forward to further expanding our connection to the one and only legend, that is WALMART!!!" said Yelawolf.

Since its inception in 2018, Creek Water Whiskey has produced more than 8,000 cases and distributes to 23 states across the country. "Creek Water Whiskey is honored to be part of the Walmart family as we begin providing our award-winning spirits in select stores," said Scott Bolin, CEO of Next Century Spirits "The product portfolio has earned the recognition of fans across the globe and has received over 13 medals in tasting competitions in the last year." The spirits company next plans availability for additional Walmart stores located in Michigan and

Louisiana. For a complete list of locations and updates, visit www.creekwaterwhiskey.com.

About CREEK WATER

From the mind of Slumerican founder and global recording artist Yelawolf, Creek Water is a new American Whiskey breaking traditional brand barriers through grassroots, viral & lifestyle marketing, our unique approach fosters a bond with loyal consumers who have true style and grit.

About Next Century Spirits

Next Century Spirits blends together traditional distilling techniques with advanced and unique finishing technologies to create enhanced spirits. Our patented processing technology allows traditional distillers to expand their repertoire of achievable flavors and aromas. The technology allows for tight control over the production process, maintaining consistency and high quality resulting in the ability to create bold, complex flavor profiles for spirits used in everything from craft brands to large, bulk blends.

Our creations have been recognized internationally at the San Francisco World Spirits Competition, New York International Spirits Competition, Wine & Spirits Wholesalers of America, Prof Awards, Sip Awards, and most recently the American Distilling Institute.
