

Luke ATME Releases New Bilingual Single, Quiero Más

Quiero Más is Available Now on All Major Platforms

LOS ANGELES, CALIFORNIA, UNITED STATES, October 24, 2020 /EINPresswire.com/ -- International pop artist, Luke ATME, releases new single, "Quiero Más". The dual-title represents the different languages of English and Spanish that were featured in the track.

Luke ATME expresses questions and doubts in "Quiero Más". The dancing between languages in the song mirrors Luke's internal struggle, causing confusion and instability. "Quiero Más" is for when you're attached to someone that is doing you wrong, but you can't let go. When "you feel it ain't being healthy but at the same time there's a sort of inexplicable reason that it's meant to be," says Luke. It's about a toxic relationship, like a drug that you're addicted to, and you can't say no.

The contrasting story continues as the relationship was hot and heavy in the summertime but it ended just as quickly as it started. With the sting from the relationship still fresh and strong communication that flows in between, Luke still wants more. Although the song's story may not be upbeat, the melody of the pop/reggaeton song is, Luke ATME reinvents himself with this poignant new single.

"Quiero Más" is available now on [Spotify](#) and all major platforms. Follow Luke ATME on [Facebook](#), and [Instagram](#) to stay current on future releases and more.
