

WD-HAN Challenges Popular Notions With New Rock Single 'Work For It'

WD-HAN's new single 'Work For It' is the anthem of your inmost desire, and the beacon of your inevitable success.

TAMPA BAY, FLORIDA, UNITED STATES, October 26, 2020 /EINPresswire.com/ -- Work For It drives deep, way down into the core of your dreams, and like so many of WD- HAN's songs, tells the world to go to hell because you're gonna make your dreams happen in spite of anyone saying you can't. This relentless, haunting, daunting beat awakens the power within you. Hard doesn't matter, time doesn't matter, getting where you are going is what matters.

In Work For It, WD-HAN exults in creating the raw rhythm of worthwhile work. No one tippy- toes to the top – you pound the ground. The chorus of Work For It echoes your every step forward as the drumbeat of a giant's. Others can beg, others can wait, others can die a living death. This song is the anthem of your inmost desire, and the beacon of your inevitable success.

“

They have a gritty style that is fantastic with the vocal delivery which is clear and has you dancing along.”
