Jacqueline Lewis, Founder

WISH has continued in 2020 under a Covid-19 protocol of policies in partnership with schools, assuring safety for

students, staff, mentors, parents, and all involved.

Through the WISH-WISE Foundation, WISH has developed for Spring, 2021:

- Covid-19 protocol providing quarantine space, if needed, at no cost to programs
- Grants to partnered programs for students with unexpected hardships
- Intern-only buildings with planned distancing— single rooms only for all students
- Affordable rates for safe housing

Through the Foundation, WISH is able to continue its mission of philanthropic giving in times of crisis - The Foundation previously awarded grants to Florida and Texas colleges whose students faced unexpected expenses during the hurricanes, so they could continue their education.

“The WISH Mission is to provide an opportunity for all,” said [Jacqueline Lewis](#), Founder of WISH and of the WISH-WISE Foundation. “We know internships change lives.”
