

# KDG Named Best Custom Software Developer in Philadelphia by Digital.com

*The company was ranked among the most efficient firms to deliver customized systems for small businesses.*

ALLENTOWN, PA, UNITED STATES, February 3, 2021 /EINPresswire.com/ -- Digital.com, a leading independent review website for small business online tools, products, and services, has named KDG to its list of the best [custom software development](#) firms in Philadelphia. The top companies were selected based on core service offerings and customer feedback.

KDG and other service providers were expected to work with businesses across various industries, including e-commerce, legal, or media. Each firm was also required to offer multiple service lines, such as UX/UI design and [mobile app development](#). The guide features both large and small companies to meet the diverse needs of businesses that seek faster project turnaround or budget-friendly services.

KDG is a leading provider of custom software development for healthcare, manufacturing, real estate, higher ed, and more. They have served hundreds of private and public sector clients by developing custom CRMs, ERPs, business intelligence tools, warehouse management tools, and enterprise reporting systems. They have been lauded for their quality project management, award-winning support, and dedication to building maintainable code. Clients include MedTech, Smart City Locating, and Vitaquest.

Researchers at Digital.com conducted a 40-hour assessment of over 63 companies across the city. To access the complete list of best custom software developers in Philadelphia, please visit <https://digital.com/custom-software-development-companies/philadelphia/>.
