Stefan Toren, Head of A&R at A&R Factory said:

"These guys are the real deal. They're coming with a huge executional talent with their musicality and style. They're swimming confidently in the wake of huge UK rappers like Dave and AJ Tracey, and I wouldn't be surprised if these guys aren't already on their radar for a future collaboration"

Describing the track, Zeggé said:

"The song 'Connect' is me and Reemo doing what we do best. This song was inspired by a necessity to make big things happen for not only ourselves, but for those around and close to us also. It is in essence, a promise."
