Burlington, Ontario - The BIG ONE - Announces Virtual [Toronto Spring Camping and RV Show](#) in 2021 due to COVID 19

At the Big RV Show, our exhibitors and customers are like our family and during these extraordinary times we need to provide assurance that we can operate within a safe and healthy environment for everyone to have an enjoyable experience.

While we were hopeful to host the Toronto Spring Camping & RV Show in 2021, due to the ongoing health concerns surrounding the COVID-19 pandemic we have made the difficult decision to cancel our "in person" RV Show scheduled for February 25th-28th at The International Centre.

"We delayed this decision as long as possible but visibility has become very clear with the current information from public health authorities and rising number of COVID cases in Canada that this is the right course of action" explained Shannon O'Callaghan CRVA's Show Director. "Our primary concern has always been operating in an environment that ensures the health and safety of customers above any other consideration"

The Big RV Show organizers have been looking at other avenues for their consumers to access exclusive deals from the largest RV Retailers in Ontario and is excited to announce they will
