

# Private Jet Card Comparisons Allows Private Aviation Users To Compare 250 + Jet Card and Membership Options in Minutes

*Private Jet Card Comparisons' easy-to-use filters enable subscribers to compare aircraft options, service area, safety, flight pricing, and details that matter*

MIAMI, FLORIDA, UNITED STATES, October 26, 2020 /EINPresswire.com/ -- [Private Jet Card](#)

[Comparisons](#) makes finding the best private aviation solutions for your needs fast and easy.

Private Jet Card Comparisons' easy-to-use filter system enables subscribers to compare programs by aircraft options, service area, safety, flexibility, flight pricing, and important details in minutes"

*Doug Gollan, Editor, Private Jet Card Comparisons*

The independent online buyer's guide, launched in 2017, has compiled a database of over 250 jet card programs and memberships subscribers can compare by more than 65 variables that impact the offerings that [best fit their flying needs](#).

By compiling comprehensive data in one place, Private Jet Card Comparisons has reduced research time from hours and days to just minutes.

"Our database is not duplicated anywhere else. By

compiling the data into a single, easy-to-use, and transparent Excel spreadsheet, we make comparing easy," said Doug Gollan, Founder and Editor-in-Chief of Private Jet Card Comparisons. "What's more, we constantly update the data. Just this year, we've made 47 updates based on changes to program policies."

A selection of what subscribers can compare includes:

Safety – Aircraft and Operator Sourcing Standards, and Pilot Experience

Pricing – Purchase Price, Hourly Rates, and Pricing Methodology

Flexibility – Lead time for Reservations and Cancellations, Applicable Aircraft, Seating Capacity, and Service Area

Stability – Ownership, Company History, Headcount, Refund Options, and Escrow Account Options

Aircraft Type – Search by Cabin Category, Specific Aircraft Type, or Seating Capacity, including the ability to upgrade or downgrade based on your needs for that trip

Details That Matter – Insurance, WiFi, Pets Policies, Unaccompanied Minors, Service Recovery, Initiation Fees, Annual and Monthly Dues, CPI Escalators, Fuel Surcharges, De-icing, and Peak Day Charges, Taxi Time, Segment, and Daily Minimums, Roundtrip Discounts

For subscribers who wish, there is both online and phone assistance.

Additionally, they can use the VIP JET CARD DECIDER tool. Based on their input, Private Jet Card Comparisons will

prepare a personalized analysis of the best options, including on-demand charter, jet cards, and memberships, and fractional ownership. The service includes a follow-up discussion on request.

Subscribers who pay \$250 for 12 months of unlimited access also receive the website's [BEST PRIVATE JET CHARTER BROKERS](#) Guide, which includes a vetted list of on-demand brokers, including ratings from third-party consumer review websites and professional certifications.

A free newsletter and daily news and insights are available to all visitors to Private Jet Card Comparisons.

"Our only goal is to help private aviation users figure out the best ways to access private travel and identify the providers and programs that best fit their needs," said Gollan.

Private Jet Card Comparisons is the only private aviation solutions comparison website that does not sell user contact information or accept lead referral fees from jet companies, ensuring both privacy and that subscribers receive unbiased data and advice.

Note to Editors: Private Jet Card Comparisons is often resourced by leading media, including CNBC, Fox News, The New York Times, The Wall Street Journal, USA Today, Town & Country, Conde Nast Traveler, Departures, Skift, Luxury Daily, and others for insights on private aviation. Additionally, Gollan, a veteran journalist and media executive, contributes to Forbes.com and Modern Luxury magazines, sharing insights about private jet travel options.

The graphic is a vertical stack of four colored sections. The top section is light green and contains a white icon of a jet card with a green airplane, followed by the text 'PRIVATE JET CARD COMPARISONS' in white, and the tagline 'Know before you buy' in a white script font. The second section is a medium green color with the text 'Compare over 250 programs by 65 variables in 1 place' in white. The third section is a dark green color with the text 'Because not all jet cards are the same' in white. The bottom section is black with the text 'Save hours of research and money' in white. Below the graphic, there is a white text box containing the text: 'Private Jet Card Comparisons helps subscribers find the best private aviation solutions for their needs'.
