"There are many masks manufacturers in Vietnam but not all the factories following the international standard. The reason why we chose a Dony Mask is that they fulfill Japan's market needs and their manufacturing system is achieved by our standard target. " - Nicolas Jo - Founder and CEO – JJFT, a fashion, and textile group

Dony Antibacterial Cloth Mask is safe for the environment and uses water-resistant as well as

99.9% antibacterial cloth materials and a unisex design. According to the company representative, its durable material can maintain its 99.9% antibacterial function, even after 60 washes.

Mr. Henry Pham explained, "Our [premium COVID antibacterial cloth masks](#) have been recognized by the worldwide market, including in the US, Europe, and Middle East Countries. We are interested in developing Business to Business partnerships there, and open for business partners to distribute our products or to be our reseller resellers globally, especially in Europe - where people tend to use safety masks, with comfortable and environmentally friendly."

DONY Reusable and Antibacterial Face Mask Launches in Europe after Increased Demanded for Eco-Friendly Civilian Masks

On the evening of 5th June 2020, Dony Garment Company and other Vietnamese enterprises have donated medical supplies to the US's people.

At the Ceremony of Offering Medical Materials to the United States, Dony presented 100,000 antibacterial gauze masks worth more than VND 10.5 billion. Overcoming many businesses that have signed up to give antibacterial masks, through testing, only Dony Mask has met the quality standards for use in the US.

It's a big honor for Dony. Dony Mask is the only available reusable face mask that successfully passes through multiple quality checks, to be accepted for use in the U.S finally.

Mr. Daniel Kritenbrink, U.S. Ambassador in Vietnam has extended his heartfelt gratitude and confirmed that Operation USA Organization which based in Los Angeles, USA will distribute these medical supplies to needed places such as California, New York, etc.
