

Pet Supply Company MyBoneBag® Offers Monogrammed Backpack Harnesses for Dogs on the Go

The innovative MyBoneBag® Backpack Harness comes with a matching leash and allows pets to take along their favorite treats on all of their adventures.

KEARNY, NEW JERSEY, UNITED STATES, November 1, 2020 /EINPresswire.com/ -- [MyBoneBag LLC](#) is pleased to announce that personalized monogramming will be made available this holiday season for its popular dog harness, the MyBoneBag® Backpack

Harness. Created for pets on the go, the harness is a dual purpose, one-size-fits-all backpack that makes life easier for both pet owners and their four-legged friends.

“

Finally, a dog harness for pets on the go, the MyBoneBag commuter harness is perfect for my busy best friend”

Charles Kilgore

Initially launched in January 2020, the dog harness took off in popularity and is now available in 20 stores across the U.S. as well as online. Durable and comfortable, the Backpack Harness allows dogs to take along treats and toys, with plenty of room for other items in order to free up the owner’s hands.

“The MyBoneBag® Backpack Harness is getting a lot of attention,” says company Cofounder Anthony Scaparo. “Pet

owners are finding that they can go for longer walks because of it, which makes for a healthier, happier dog. And we’re excited to offer the monogrammed dog harness this holiday season to add a more personal touch.”

Sturdily made, the smart-looking backpack has a large main pouch with a zip closure to hold the pup’s toys. A front pouch with a durable metal zip closure conveniently holds extra treats, and a matching leash with a metal attachment clip is also included. Adjustable harness straps ensure comfort and safety for all pet shapes and sizes.

MyBoneBag® introduces a new interactive shopping tool to monogram your dog harness. This new tool includes:

- Preview Your design: dog owners can now personalize their harness with their your pets name, initials, or phone number and see their design before shipping to you
- It also includes a photo- sharing option, in case you'd like to get a dog lovers opinion from friends or family
