

Just 2 Weeks to Go Until SMi Group's 22nd Annual Global MilSatCom Virtual Conference & Exhibition

SMi Group Reports: The 22nd Annual Global MilSatCom Conference and Exhibition will take place as a virtual conference over 10th to 12th November 2020.

LONDON, UNITED KINGDOM, October 28, 2020 /EINPresswire.com/ -- In just two weeks' time, SMi Group's flagship [Global MilSatCom Conference and Exhibition](http://www.globalmilsatcom.com) will convene virtually with online access only on 10th to 12th November, bringing together 500+ senior decision makers from defence agencies, militaries, governments and industry from across the globe.

The banner for the 22nd Annual Global MilSatCom virtual conference and exhibition features the following information:

- SMi Group Proudly Presents the 22nd Annual Global MilSatCom**
- 10 - 12 November 2020**
- Virtual Conference & Exhibition: Online Access Only**
- www.globalmilsatcom.com**
- Gold Sponsor: AIRBUS**
- Sponsors:** BOEING, inmarsat, Ovzon, isotropic systems, LEONARDO DRS, THALES, NORTHROP GRUMMAN, LOCKHEED MARTIN, ST Engineering, Viasat, GOV SAT
- Exhibitors:** HYTEC INTER, MARLINK

With just two weeks to go, interested parties are urged to register their place at the conference as soon as possible, as registration will close on Thursday 5th November. [Attendance is FREE](http://www.globalmilsatcom.com) for all active military and government personnel and £999 for all commercial organisations. Registration can be made by visiting: <http://www.globalmilsatcom.com/PR7>

[Global MilSatCom](http://www.globalmilsatcom.com) is supported by several leading companies in the form of sponsorship, exhibiting and branding. The sponsors will also be contributing towards to the three-day conference with key presentations and/or participating in panel debates, as below:

AIRBUS will be presenting on:

- Supporting Future Integrated Operations - Mr Richard Franklin, UK Managing Director and Head of Secure Communications, Airbus Defence & Space
- Combat Cloud. Expanding Operational Capabilities to Rotary Wing Aircraft - Mr Steve Napier, Head of Milsatcom Aero Connectivity Sales, Airbus Defence & Space
- Chair for Day Three - Mr Nigel Chandler, Key Account Manager, Airbus Defence and Space
- Panel Debate on Day Three: The Future Landscape of National MilSatCom with Mr Richard Budd, Head of Secure Communications - UK, US and Australia, Airbus Defence & Space & Mr Martin Rowse, Key Account Manager - Space, Airbus Defence and Space

LOCKHEED MARTIN session will be presented by Ms Stacy Kubicek, Vice President Mission Solutions Defense and Security, who will also be contributing towards a panel debate on Transforming the US Space Enterprise
