

LogicalDOC named Best Document Management Software of 2020 by Digital.com

The company was recognized as one of the top 20 solutions for small businesses and startups

FAIR LAWN, NEW JERSEY, USA, October 30, 2020 /EINPresswire.com/ -- [Digital.com](https://www.digital.com) has named [LogicalDOC](#) to its list of best [document management software](#) of 2020. The top 20 solutions were selected based on automation and collaboration tools, demo or free trial options, and integration support.

LogicalDOC and other companies on the list were required to offer tools that automate routine tasks and make it easier to manage documents across teams. It was also crucial that each system supports third-party applications and allows users to test the features at no initial cost.

Experts at Digital.com conducted a 40-hour assessment of over 120 software companies across the web. To access the complete list of best document management software companies, please visit <https://digital.com/document-management-software/>.

We are absolutely thrilled by the news, having LogicalDOC among the best document management software represents an excellent showcase for our product, we are sure that we will benefit greatly!"
