A POET'S VOICE DECLARING A MESSAGE, "NOTPRESIDENT"

~~A rallying cry to the resistance inside all of us. A love anthem and fight song to ignite us in this moment.~~

Poet/Activist Steven Connell uses his voice to deliver powerful messages to all for the upcoming election.

~~In this moment~~[Steve Connell](#) expresses, in our streets, our towns, homes and in the hallowed halls of our government, we gather to demand more of the people failing the founding poetry of America. Truth is non-partisan. Facts have no alternative. Justice knows no bias, because America isn't America for any, until it is America for all. Trump has spent 4 years acting like he is "NOTPRESIDENT", and this piece is designed to make sure that come November 3rd, that's exactly what he is. A provocative artistic condemnation of Trump, and a searing and powerful indictment of his refusal to lead in any meaningful way, "NOTPRESIDENT" pulls no punches in its efforts to expose his incredible incompetency and reveal him as an existential threat.
