

Luke Crimiel Announces Newest Pop Album, 11th Street

11th Street Will Be Available November 11th

LOS ANGELES, CALIFORNIA, UNITED STATES, October 30, 2020

/EINPresswire.com/ -- Luke Crimiel recently announced his upcoming album, 11th Street, set to be released on November 11th. The upcoming release follows "Telephone" and "Nothing Left".

11th Street is inspired by the street Luke grew up on in Louisiana. Each song tells a part of the story of his journey to becoming an artist.

From growing up seeing his mom become a victim domestic abuse, to leaving the church, and being homeless in Los Angeles. He's definitely gone through adversity and the album, 11th Street, serves as a therapeutic way to share Luke's life stories.

Luke wants his music to resonate with people. He says, "whether it's dancing, singing, or crying. I want to bring people joy, hope, and love. All these songs have a place in my heart and I am so excited to share them!"

Luke's musical craft has a unique, old-school feel with a twist of pop. His most recent project has created a soulful sound with a fashion-forward sense and he enjoys creating glitz and glamour to his new strategy of music.

11th Street will be available on November 11th on [all major platforms](#). Visit Luke Crimiel's [website](#) or [Facebook](#) page for more information.
