The Dead Daisies

Followers can expect more High-Voltage Rock songs, indomitable grooves and breathtaking performances from Glenn, guitarists Doug Aldrich and David Lowy backed by thunderous rock beats from drummer Deen Castronovo. The band plan to hit the stage in early 2021 with a collection of explosive performances on the 'Get Out Of The House' Tour, playing shows across Europe, UK, Japan, US and Australia as well as European festival dates during the Summer.

"Bustle And Flow" was one of the last songs we recorded during a break for dinner. I came up with the lines: "We are one in the rodeo, in the white chateau in the bustle and flow." Of course we were in a white chateau, and I knew with these lines we had a song, basically the lyrics wrote themselves." - GLENN HUGHES

"Bustle And Flow" is a tune we knocked up in France. We had a riff and verse going, while jamming it just kinda fell into the chorus. Glenn's lyrics are cool and I'm just really happy with the fun vibe that he puts on it." - DOUG ALDRICH

Glenn Hughes (Deep Purple/ Black Country Communion) - Vocals/Bass
