DETROIT, MI, UNITED STATES, November 1, 2020 /EINPresswire.com/ -- National Veteran Business Development Council (NVBDC) was established to address the growing need to identify and certify both Service-Disabled and Veteran Owned Businesses (SD/VOBs) for the commercial marketplace. Our initiatives focus on being the Veteran business certifying authority providing reliable revenue and management information to the business community. NVBDC extends opportunities for our Veterans with access and opportunities made possible by our supporting corporations. NVBDC conferences are the largest collection of certified Veteran Owned Businesses & Supplier Diversity Professionals in the industry.

"NVBDC is maintaining the same agenda structure as we would have at our live event. We know our Veteran Business Owners and Supplier Diversity Professionals rely on our annual event to build relationships. The opportunity for our corporations to see the incredible products and services of our Veterans, and for our Veteran Business Owners to see the true value of [NVBDC Certification](#) is key for upholding our promises to the community." Said Keith King, Founder & CEO, NVBDC.

We have a full mix of multi-award winning, Rock & Roll Hall of Fame, Grammy Hall of Fame singer songwriters. Mark Farner’s American Band, Felix Cavaliere’s Rascals and B. Taylor will rock the house with a special tribute to our Veterans on November 5, 7:00 p.m. – 10:00 p.m. virtually to our attendees. Each bring their own history, contributions and fame to our virtual stage for NVBDC’s Vets Night Out.

As one of the founding members, lead singer, lead guitarist, and wrote 90% of the Grand Funk music catalog, Mark Farner has always been known as the energetic driving force on stage, the engine that pulled the original Grand Funk Railroad to the top of the charts. From his soulful voice and power rock riffs, to fueling the Funk with

his atomic stage presence. His story and his imprint on music starts with Flint and since 1969 from his humble beginnings and a blue-collar outlook, Farner has captained a global crusade for love and freedom and became a rock n’ roll icon. 50 years later- he commands the stage with the same intensity performing epic hits with Mark Farner’s American Band defining a generation through their music: “I’m Your Captain (Closer to Home)”, “Bad Time,” “Some Kind of Wonderful,” “Foot Stompin Music,” “Heartbreaker,” and “Locomotion.”

The message has always been to stand for peace, love, and happiness for legendary singer songwriter Felix Cavaliere. Making people feel good is primary to his illustrious 50-year career that includes the Rock & Roll Hall of Fame, Songwriter Hall of Fame, Vocal Group Hall of Fame, and Grammy Hall of Fame. Few artists can claim they defined a generation; Felix Cavaliere

continues to remind us to keep listening for the world's beauty. Early in 1965, Felix Cavaliere formed the "Young Rascals" with Dino Danelli, Eddie Brigati, and Gene Cornish. Signed to Atlantic Records, and now called The Rascals, the mega hit "Good Lovin" struck No. 1 in February 1966. They followed suit with a string of hits like "I've Been Lonely Too Long," "Groovin'(No.1 in 1967), "How Can I be Sure," "A Girl Like You," "A Beautiful Morning," and "People Got to Be Free" (No. 1 in 1968). We are honored to welcome live to our virtual stage Felix Cavaliere's Rascals for Vets Night Out.

"No one embodies the meaning of the "Call to Continued Service" ethos more than Navy veteran and Hip Hop recording artist/producer B. Taylor. B. Taylor is creating a buzz not only in Hollywood, but across the country, and its not simply for his music...it's about the music and what it represents...a change in culture...a changing in thinking...change that will affect lives...it's about a "Call to Continued Service;" and for B., that calling is through the power of music!" wrote Pentagon. He is blessed with great dedication and spirit for music. B. Taylor (Motown Group & Sony Music) was discovered by Pete Moore of Smokey Robinson and The Miracles. B. Taylor is supported by original members of The Miracles, The Supremes, The Temptations, The Marvelettes, The Four Tops and The Gordy Family. His first number one artist, producer, and songwriter hit was "Fire in Your Eyes" featuring NCIS star actress Pauley Perrette. His second number one hit was for "Gotta Have It" all featuring Chris Brown. B.'s own Life Organization honors and builds a better life for our Nation's Military, Veterans, First Responders and their Families. He is the Global Ambassador and Advocate of Entertainment for U.S. Military, Veterans, First Responders and their Families. We will have the honor of hearing his latest release: "We are One, Love is All We Need" during our Vets Night Out Event.
