Paramount is the "Magic City's" soaring signature superstructure and the sixth tallest building south of New York City, which features the world's most-advanced animation lighting system.

## Dimensions

Through the center of the 60-story, \$600-million Paramount Miami Worldcenter is a 700-foot-tall vertical stream of red and white L.E.D. stripes combined with the words, "VOTE FLA."

At the top of the building are a 150-foot-tall by 300-foot-wide field of blue with fluttering five-pointed white stars blended with a 100-foot-in-diameter circular "VOTE" button image.

Star-Spangled Signal

"We are sending-out a star-spangled skyline signal to Florida's 14-million registered voters; encouraging all of us to involve ourselves in this patriotic process by exercising our constitutional right to vote," explains Paramount Miami Worldcenter CEO-Developer Daniel Kodsí (Cod-See).

### High-Tech Lighting

Paramount's state-of-the-art, \$3-million Color Kinetics animation lighting system consists of 14,300 light emitting diodes embedded in 10,000 panes of high-impact glass. The system can create 16.2 million color-combinations. It took three years to design and install Paramount's lighting system.

### Hours of Operation

The Stars, Stripes, and VOTE light show runs through election night, November 3, 2020.

The building illuminates every night for a duration of three minutes; every half-hour; from 7:00 p.m. – Midnight (ET) and between 5:00 a.m. and 7:00 a.m. – during the hours just before sunrise.

### About Paramount

Paramount Miami Worldcenter is the world's most-amenitized luxury residential tower. It is the centerpiece of the mammoth Miami Worldcenter. The \$4-billion, 27-acre Miami Worldcenter is currently America's biggest urban core construction project and the nation's second-largest real estate development.
