

Senior Military Figures from Europe to present at the Virtual Military Airlift and Air-to-Air Refuelling Conference

SMi Group Reports: The 100th Air Refuelling Wing, US Air Force are one of the many organisations from Europe presenting at the virtual event in December

LONDON, UNITED KINGDOM, November 2, 2020 /EINPresswire.com/ -- Last month, the 100th Air Refueling Wing based at RAF Mildenhall conducted three days of exercise to improve its defence capabilities and to show their quick response capability as the only US Air Force air-refueling assets based in Europe. *

With this in mind, SMi Group's 21st annual [Military Airlift and Air-to-Air Refuelling](https://www.military-airlift.com) conference, taking place virtually on the 1st-2nd December 2020, will feature an exclusive briefing from Colonel Troy Pananon, Wing Commander, 100th Air Refuelling Wing. Delegates will hear how they provide critical in-flight refuelling to the US and allied aircraft, ensure vital lifesaving aeromedical evacuation support throughout multiple areas of responsibilities, and offer flexible airlift capabilities.

Colonel Troy Pananon is set to present on 'The Bloody 100th: Extending Operation Capability Through AAR', which will cover:

- Vision and mission: extending deterrence and reach through projected airpower in the European and African theatres of operation
- Forging partnerships and developing interoperability within the European AOR
- Aerial refuelling to support C2, rapid deployment and aeromedical evacuation
- Enduring objectives: maintaining readiness and building lethality in a global strategic
