Ryan Javanbakht, President & CEO of SleepTest.com:

"It's an honor for SleepTest.com to partner with BEST for Dentistry! When we look at vendor partner collaborations, the first thing we seek is alignment on our Patient-Centric intentions. We share this with BEST for Dentistry and we are excited to be a part of their Dental Sleep Launch, alongside Pristine Medical Billing, Whole You, and Bullseye Media. BEST for Dentistry has clearly lined up the best organizations in dental sleep medicine, to help their clients succeed with the key components: home sleep testing, medical billing, oral appliances, and marketing. Together we'll play a major role in tackling the sleep apnea epidemic in our U.S. population, and help more apneic patients like me, my father, and my mother."

The BEST for Dentistry [Sleep Dentistry](#) Program is built for ease and convenience at any stage of ordering Sleep Dentistry to patients. Whether in the beginning stages or enhancing an already growing Sleep Dentistry business, this cohesive program meets solutions in all areas.
