The Official Keith Emerson Tribute Concert

"It was a great honor to be asked to play in tribute to not only a friend but a musical giant and hero to us all. I hope he smiles from heaven knowing the spirit this was done in. So many unreal musicians and thanks to Marc for putting it all together like that! RIP Keith. You are so missed..." - Steve Lukather, 2020

All proceeds go to the charity The Dystonia Medical Research Foundation, which was close to Keith's heart. Artists, crew and all involved have donated their skills and time gratis for this worthy cause, which afflicts thousands of musicians annually.
