

The Suit Spot Online Store Launches, Rocks Suit & Tuxedo Wedding Industry

Men's wear that shatters industry price standard for price top quality and style. Turns Men's Wedding Apparel Industry on it's head.

ASTORIA, NEW YORK, UNITED STATES, November 6, 2020 /EINPresswire.com/ -- [The Suit Spot](#), a leader in fitting grooms and groomsmen in the NYC area for weddings since 1986, launches its online store, www.thesuitspot.com. The site brings the same excellent experience thousands of grooms and groomsmen had while suiting up for their wedding direct to you online. And that is high-quality suits and tuxedos at factory direct pricing delivered with top-notch service. Did we mention free shipping and returns?

The Suit Spot Tux

The men's wedding industry has been dominated by tuxedo and suit rentals for decades, but the consumer smartened up. Why pay for a rental when you can spend the same price, and keep it forever. Not only can you wear your suit or tux over and over again, but it is brand new and never worn before. Why risk getting a used rental not knowing if it is fully clean, the color is faded, or if it is going to fit you properly.
