What Sofa Style is Right for You?

Designing your own is as easy as 1, 2, 3.

When talking to the interior design experts in Custom Sofa Centre showrooms, customers have the chance to build a sofa that works for them and your family. How will you

choose between hundreds of options? First (Step 1), have a think about which sofa style is right for your home. Do you want a fresh, contemporary style sofa that complements your modern apartment? Or are you sofa shopping for something a little more classic? Once you settle on the design, the next step, Step 2, is to choose your fabric between high quality fabrics or soft and

luxurious leather. You can then select your colour between a wide array of neutrals and pastels, or go bold with a pop of vibrant hues like reds, yellow or blues. Lastly, Step 3, choose your size and extra amenities. You can keep it simple with 2-3 seats, depending on the size of your room, or add extra extended lounges or chaises, adjustable leg rests or lumbar supports, cupholders, or USB ports. The options are endless. You can try out different arrangements, styles, colours, and fabrics until you find the perfect combination for you. The design experts are with you every step of the way as you build a sofa that you love

and for your family to enjoy for years to come.

The Custom Sofa Centre is fully Australian owned and operated, and the company prides itself on providing affordable sofas to all Australian families. That is why the Custom Sofa Centre offers extensive sales on select styles up to 50% off, with online vouchers for an extra 10% savings and payment plan options for up to two years with 0% interest.
