

The safest way to visit Santa Claus in 2020

Talk to Santa allows children, family, and friends to participate in a live, interactive, video call with Santa Claus.

SUPERIOR, CO, USA, November 6, 2020 /EINPresswire.com/ -- As illnesses surge across the country, many businesses are restricting activities that bring people together, including annual visits with Santa Claus.

Some large retailers like Macy's have already cancelled their traditional Santa Claus plans, and mall owners who are planning to go ahead with in-person Santa visits, are modifying them by banning children from sitting on Santa's lap and making sure they stay six feet away from Santa.
