Newmar annual review results award Gold Heat a Top 10 Premier Vendor status.

HILLSBORO, OR, UNITED STATES, November 7, 2020 /EINPresswire.com/ -- Gold Heat, America's premier manufacturer of customized electric radiant floor heat mats for the motorcoach / RV manufacturing industry, announces Gold Heat's elevation to "Premier Vendor" status. [Newmar Corporation's](#) "Top 10 Premier Vendor" status is awarded annually to an elite group of trusted and reliable Newmar motorhome/ RV parts suppliers serving the RV manufacturing giant.

Gold Heat is ranked in RV Manufacturer's annual audit as a Top 10 Premier Vendor.

During Newmar's annual supplier evaluation process, Newmar team members reviewed Gold Heat's ability to meet product demand consistently and reliably support the RV / motorhome floor heat product during 2020's COVID business environment.

Newmar's annual review recognizes suppliers for outstanding performance based on eight (8) categories and selects its top 10 premier vendors. Newmar team members evaluate all of their supplier's performance through internal surveys.

Gold Heat's evaluation is based on a Newmar team member's interactions with its purchasing, manufacturing, quality, service, and engineering departments. Suppliers must score at least 195 of a possible 201 points. Gold Heat scored a perfect 201, again for the 5th consecutive year.

"Newmar and Gold Heat's business values are well-aligned. As the industry comes out of the craziness that is 2020, it seems that Newmar and Gold Heat could face any challenge together. I'm proud to be chosen by them as a trusted supplier," says newly appointed Gold Heat CEO,

Brian Bishop.

During the evaluation process, Newmar Corporation suppliers are evaluated on the following criteria:

- Product quality & reliability
- Ease-of-installation
- Delivery & lead times
- Technical support
- Diagnostic support
- Product development
- Design support
- Warranty

“I’m proud to be considered by Newmar as a trusted supplier, “ notes Bishop. “The Gold Heat team will continue to work hard to maintain our reputation and our Top 10 Premier Vendor status.”
