

Out Standing Members Talk about Their Music and Life In The Band

USA, November 9, 2020

[/EINPresswire.com/](https://EINPresswire.com/) -- One of the longest serving Rap groups out of Chicago Illinois have brought our new music. Outstanding Music which was formed by Loot G, and consists six talented members G,Bmg,N-Doe,Redd Dogg, Drillz Millz, and Chuck A Luck will be overcoming the COVID19 pandemic and performing on social media.

The group (O.S.M) that was formed back in 2006 have gone on to be big names around the world. Unlike other rap groups who have struggled to make it, these six talented men have gone on to become big stars in the UK, Germany, and beyond. Their secret to their success is simple, they are very talented in their own right, and they are not afraid of hardwork.

O.S.M are not afraid to speak out on matters of importance. When asked to talk about how Donald Trump has looked after each citizen as equal, O.S.M believe that Donald Trump and those before him don't really care about those that vote them in.
