Customers will be able to enjoy the exciting new flavors that Martha Stewart specially designed herself. These products incorporate the most flavorful side of CBD, as well as Martha's drive to create only the best quality products.

“

...tapping into the calm that Martha's known for, It's a very literal interpretation of finding your inner Martha.”

Steven Leung

These products are “...tapping into the calm that Martha's known for,” said Steven Leung, the brand's marketing director. “It's a very literal interpretation of finding your inner Martha.” We saw a great response to the previous

launch of Martha Stewart CBD and are so excited to try the new flavors that she is offering!

The new addition to this already thriving collection consists of 15 flavors:

- red raspberry
- huckleberry
- rhubarb
- passion fruit
- persian lime
- strawberry
- pink grapefruit
- calamondin
- green apple
- black currant
- blood orange
- kumquat
- quince
- meyer lemon
- black raspberry

Ideal to give as a gift (or a gift to yourself), this sampler contains 60 gummies that are developed by Martha herself!

These CBD gummies focus on quality and consistency. They are 99% pure CBD isolate with no psychoactive effect and is rigorously tested each step of the way for heavy metal, pesticides, solvents, and other toxins. 100% U.S. grown hemp with clean formulations free from parabens, sulfates, glycols, fragrances, gluten, soy, or artificial colors.

Consumers can also purchase additional Martha Stewart CBD products through Anavii Market's online store and get a 20% discount for a limited time with the code: "Martha". For more information and updates about the Martha Stewart CBD products, follow the [Anavii Market blog](#) today.
