“The Credit Line program is just another product in our suite of loan programs which offer [investor financing for non-owner-occupied properties nationwide](#),” said Todd Tretsky, Managing Director at CRE-Finance.

Many real estate investors have already benefited from the Credit Line program. It provides flexible financing options for investors to purchase new properties, refinance existing investments and fund renovation on a property.

“Whether you are an investor looking to buy and hold, fix and flip, or looking for long term rental financing, a credit line is just another great option for an investor. It also

gives investors more flexibility. If they buy at auctions or need to close in 5-7 days, the money is available quickly” said Todd Tretsky.

The Credit Line program offering was driven by real estate investors feedback and their need for access to investment capital quickly and seamlessly. [CRE-Finance is committed to offering a full suite of real estate financing](#) products to meet all real estate investors needs.
