

Minnesota US Navy Veterans Mesothelioma Advocate Appeals to the Family of a Navy Veteran with Mesothelioma to Call Attorney Erik Karst of Karst von Oiste to Discuss Compensation-It Might Be More than \$1,000,000

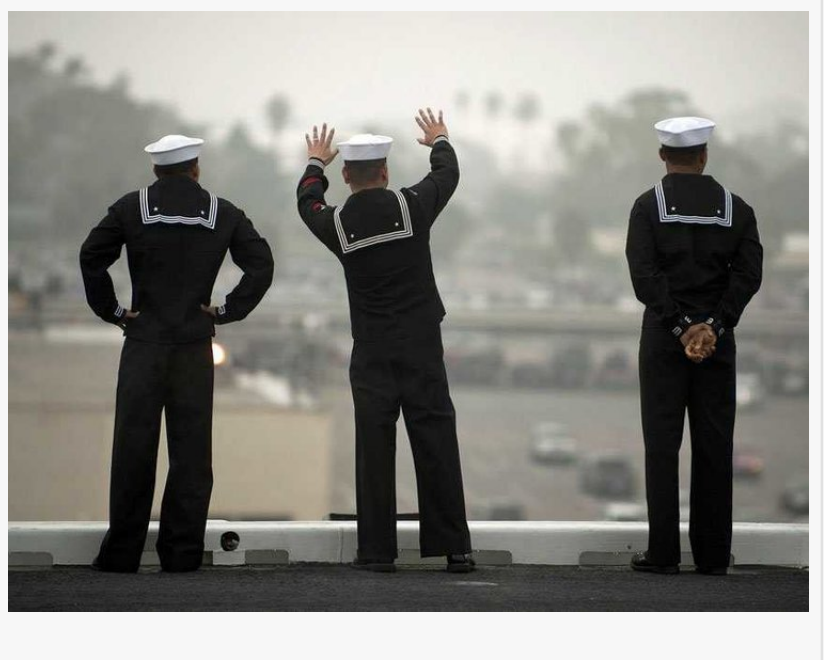

MINNEAPOLIS , MINNESOTA, USA, January 5, 2021 /EINPresswire.com/ -- The Minnesota US Navy Veterans Mesothelioma Advocate says, "We are appealing to the wife or immediate family of a Navy Veteran with mesothelioma anywhere in Minnesota to please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. Erik Karst is one of the nation's most skilled mesothelioma attorneys and he specializes in assisting Navy Veterans with this rare form of cancer caused by asbestos exposure. Financial compensation for a Navy Veteran with mesothelioma might exceed a million dollars and the claim does not involve suing the navy.

"The basis for a mesothelioma compensation claim is identifying how, where and when a Navy Veteran with this rare cancer was exposed to asbestos. The Navy Veteran's discharge papers known as a DD214 will be incredibly helpful to Erik Karst because it will allow him to pinpoint how, where and when the Navy Veteran who has mesothelioma was exposed to asbestos. If the Navy Veteran's family could start writing notes about different times their loved one was exposed to asbestos on a navy ship, submarine and or shipyard this will also be vital information. Before a Navy Veteran with mesothelioma in Minnesota or their family retains the services of an attorney to assist with a compensation claim please call attorney Erik Karst of Karst von Oiste at 800-714-0303. We think you will be glad you did." www.karstvonoiste.com/
